Courses for Exchange and Double Degree Students

ONE TERM PROGRAM

Universidad ESAN offers a variety courses for exchange students among our 9 bachelor programs. The primary language of instruction is Spanish. Some of the courses may be taught in English. To be registered incoming students must demonstrate fluency in the Spanish (if they want to take courses in this language) or English.

List of Courses*: incomingstudents.ue.edu.pe/international-programs/one-term-program

Regarding the selection of courses, it is mandatory that our partner institutions validate all the courses and consider the pre-requisites or requirements as well as the command in Spanish / English language of exchange students.

* Please note that the Master 1 or 2 students must take courses from our 4th or 5th year of our Bachelor Programs.

*All courses are subject to change and may not be available in all semesters.

*Once the courses have been selected during the enrollment no changes are permitted

DOUBLE DEGREE PROGRAM

The courses for our Double Degree Program are pre-established in each of our academic programs: Management & Finance, Management & Marketing, Economics and Business and Industrial and Commercial Engineering.

List of Double degree study plan: incomingstudents.ue.edu.pe/international-programs/double-degree-program

Regarding the selection of courses, it is mandatory that our partner institutions validate all the courses and consider the pre-requisites or requirements as well as the command in Spanish / English language of exchange students.

COURSE ENROLMENT

UE will provide the exchange student with updated information about courses and program schedules upon arrival. The course registration will be done during the mandatory welcome session (two weeks before the beginning of classes).

Please note the course selection form you send us before your students come to UE is for reference only. Courses offered are subject to change.

Due to potential course cancellations because of undersubscription, schedule classes, and limitations of room sizes because of oversubscription, we require that the students provide valid alternatives to each of their course choices. We will need the help of the home student's international office for pre-approving as many courses as possible for credit-transfer.

COURSE LOAD

Exchange students usually take 5/6 courses per academic semester which means full time dedication to studies and attending in average 20-26 hours of classes per week. ECTS credits should be calculated by each home institution depending on the number of Esan credits enrolled.

Credit per Subject	3 to 4 ESAN credits (depending on the number of sessions per week)
Minimum workload per undergraduate semester	12 ESAN Credits
Maximum workload per undergraduate semester	21 ESAN Credits

A requirement to participate as an exchange student is to be registered with a minimum of 12 credits.

Spanish Language Course

Universidad ESAN offers to its incoming exchange students a crash Spanish course free of charge, which allows students to advance in their proficiency of the Spanish language. Courses are opened one week before the beginning of classes depending on the number of students interested.

In order to register students must contact intercambio@ue.edu.pe , and they should take an online quiz one month prior the beginning of classes.

Exams

Exchange students are requested to stay until the end of the scheduled exams. No special early exams or resit exams are offered. From the beginning of classes, the exam timetable is uploaded in our intranet: UE VIRTUAL.

GRADING

Students are permanently evaluated through their active involvement in class and conferences, quizzes, reports, written exams and other special assignments. Evaluation procedures and tools, and their relative value are established by each professor at the beginning of every single term and detailed in the corresponding syllabus. In addition to academic performance, evaluation also takes into account the ethics and sense of responsibility students demonstrate in class.

At the end of the period of study, UE provides the sending institution a report of the courses taken and grades achieved by each exchange student. Transfer of academic credits is determined by the home institution.

WHEN WILL TRANSCRIPTS BE SENT TO THE PARTNER UNIVERSITY?

Exchange students have the possibility to check their transcripts on UE Intranet during the semester. Transcripts are sent to partner universities (virtually) only once the exchange students has completed all administrative procedures, paid all required fees and given books back to libraries.

- Mid-August: for 1st semester students
- Mid-January: for 2nd semester and full academic year students

Academic Expenses

Incoming Students on formal exchanges are exempt from regular tuition charges. They are however required to pay US \$80 of administrative costs (per semester) that provide them the following benefits for students:

- Accident insurance
- ESAN ID Card (Students can access to the library, computer labs and participation in extracurricular activities. Also must be presented when giving exams. It is given to all exchange students after completing administrative procedures).
- University Card (Students will gain the benefit of low-cost public transportation and access to certain public establishments at half price: theater, museums, libraries, etc. - delivered by the Peruvian government).

Living / Prospective Costs

Exchange students coming to live in Lima should consider spending, approximately US\$ 800 to US\$ 1000 dollars per month (including housing rental).

Accommodation	
Universidad ESAN provides exchange students with a list of pre-selected homes nearby our institution. Students can contact the name listed in our link directly. Depending on the type of facility chosen, the cost of rent may vary from: US\$160 to US\$230 per month if living with a local family US\$250 to US\$400 if renting an apartment	
Meals	
Daily costs are approximately at the university cafeteria: Breakfast US\$4.00 Lunch US\$3 - US\$5.00 Snacks, sandwiches US\$2.00	
Local Transportation	
Lima has a wide variety of public transportation and its cost is rather inexpensive. Traveling by bus or colectivo may amount to S/. 1.50 (1 Nuevo sol y cincuenta centavos) per trip depending on the distances to be traveled. In addition company taxi services are widely. There is usually lighter traffic except during rush hours (7:30 to 8:30 a.m. and 6:00 to 7:00 p.m.)	
Other Expenses	
Among these, laundry, newspapers, photocopying and other minor personal expenses should also be considered, amounting to approximately US\$100 per month.	

Exchange Rate aprox: 1 Euro = 3,82 Nuevos Soles / 1.00 US = 3,38 Nuevos Soles (November 2018)

VISA Procedures

Once the application has been accepted, Universidad ESAN will send the official Admission Letters to international students. Each student should process their visa in the Peruvian consulate of each country.

To find a Peruvian consulate around the world, visit this link: www.consulado.pe

We do not recommend students to enter to our country with a Tourist Visa. In the case that students decide to do so, Universidad ESAN will not be responsible for the administrative procedures to change the immigration status. Student would need to do it independently, considering that this is a hard process that will take approximately 3 to 4 months.

Facilities on campus

INTRANET: UE VIRTUAL
All exchange students will be given a user and a password to access the UE virtual platform where they can check their courses and material uploaded by the teachers or any other announcement. Living in Lima

The city of Lima, also known as "The City of Kings" is one of the most attractive Latin American capital cities to live in. It is a pleasant and safe modern city adequate for professional development, especially because it is a strategic city for multinational firms operating in the region.

In addition to its economic attractiveness, our country presents social characteristics such as its racial and cultural heterogeneity, its economic and social differences and a population growth that has surpassed the Latin American average. This cultural attractiveness is linked with the range of gastronomic center that Lima is. It will be easy to find a varied typical food that includes dishes from all over the country.

Our university is located in a residential area of Lima, the country's capital, with an easy access from and to different areas of the city.
