UAM
UNIVERSIDAD AUTÓNOMA
DE MADRID

The ECOCAMPUS Office offers students the possibility to share rides to and from campus to save money and fuel.

Also, Madrid has one of the best underground systems in Europe and is used by most people to move around in their daily life. Click on the link below to consult the underground and Renfe maps:

<http://www.planometromadrid.org>

Public transportation is the fastest and most efficient way of reaching the Campus:

Commuter Rail (“Cercanías”):

Renfe station is on Campus (number 27) in the map. Lines C4A and C4B connect the Campus with Madrid (stops are Fuencarral, Chamartín, Nuevos Ministerios, Sol, Atocha, Villaverde), as well as other closer cities in the South and North of Madrid.

Buses:

Línea 714: Plaza de Castilla - Campus de Cantoblanco

Línea 827: Canillejas - Alcobendas - UAM - Tres Cantos

Línea 827A: San Sebastián de los Reyes - Alcobendas - UAM

Línea 828: Recintos feriales - Juan Carlos I - Alcobendas - UAM

You can visit www.crtm.es for information relating the Public Transport Card.

Spanish courses

Exchange students may pursue a 4-credit Spanish course for a term at UAM's Language Services. The number of places is very limited. It is mandatory to take a placement test to determine your level. Please, visit www.uam.es/servicios/idiomas/ for more information.

Facilities of the Faculty of Economics and Business Studies

Our Faculty provides all the information you may need, both in person and online. Please, check our web pages:

Spanish: www.uam.es/economicas

English: www.uam.es/economics

The Students Information Office provides help in person. It can also be reached by phone at (+34) 91 497 70 70, and by e-mail at informacion.estudiantes.economicas@uam.es.

Library

Our Library provides a great variety of resources: manuals, books, journals (most of them accessed electronically), electronic books, working papers, databases, etc. The Library also offers many courses. Moreover, the Library has a Statistics Documentation Centre, and lends laptops to students.

There will be an introduction course at the beginning of each semester.

Throughout the Faculty there are several Study Rooms, designed for group work and very popular during the exam periods.

The IT Rooms are also a favorite among students, and offer a range of courses and IT services, with more than 900 computers on campus.

There are two cafeterias in the Faculty, both with lunch service. Also, there are dining halls with microwaves, where students can heat their own food. These halls are open from 1 pm to 4 pm.

ORI's activities and programs for exchange students

The International Relations Office is at the disposal of all the students in the Faculty of Economics and, specially, the exchange students to inform them and help them navigate through all the paperwork.

Students are welcome to come by the office or to contact us via phone or e-mail.

Sport facilities

There are many different kinds of sport facilities at UAM. You can, for example, play tennis, football, basketball, padel, volleyball, go swimming in the indoor or outdoor Olympic swimming pools, or just go running through this beautiful campus...

There are more than 40 activities that you can do in the Gym, such as, pilates, aerobic, yoga, scuba diving, dancing, karate, fencing, aikido...

Home students and foreign students alike may choose from a range of options as far as accommodation is involved.

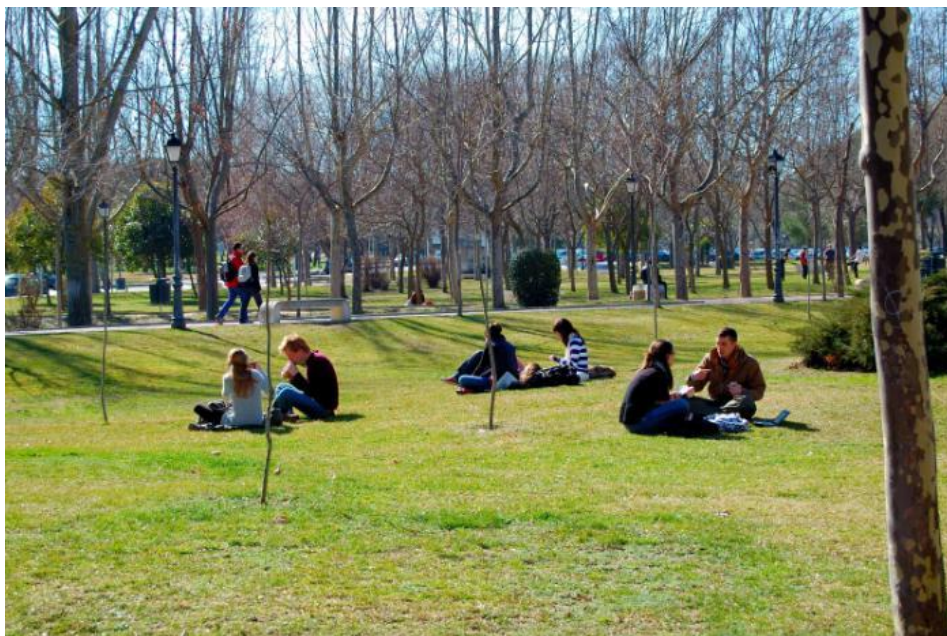

Besides traditional options, there is the Program “Live and Coexist”, in which students share a flat with an elderly person. The student only has to provide company and help to the elderly person, without paying rent. This program is organized by the university's Office of Solidarity and Cooperation.
