LIVING IN ROME

A heady mix of haunting sights, awe-inspiring art and vibrant street life, Italy's Eternal City is one of the world's most beautiful and inspiring capitals.

Rome today is one of the most important tourist destinations of the world, due to the incalculable immensity of its archaeological and art treasures, as well as for the charm of its unique traditions, the beauty of its panoramic views, and the majesty of its magnificent parks. Among the most significant resources: plenty of museums (Capitoline Museums, the Vatican Museums, Galleria Borghese, and a great many others) aqueducts, fountains, churches, palaces, historical buildings, the monuments and ruins of the Roman Forum, and the Catacombs. Rome is the 3rd most visited city in the EU: the Colosseum and the Vatican Museums are two of the most visited places in the world.

THE CLIMATE

Italy extends 1,200 km from North to South, so the climate varies considerably, with winter temperatures of -5°C (23°F) and below in the North, and summer temperatures of 40°C(105°F) in the South.

Rome, located at the centre of the peninsula, has a mild climate, with temperatures rarely reaching the extremes indicated above. Consequently, light or mediumweight clothing is recommended. It is advisable, however, to bring a raincoat, and an overcoat or heavy jacket for the winter which can indeed have colder peaks.

WHAT EXCHANGE STUDENTS SAY ABOUT US

*"Even though you are so far from your own family in your home town, the ones you spend your exchange with, become **your new family** in here. The **ESN activities** are **amazing**, the board was even better! The city is beautiful and LUISS is such a nice, comfortable place to study. Walking down the stairs, seeing so many people you got to know in just a couple of months, makes it feel even more like home. Thank you for this **experience that I will never forget!**"*

Riki, Radboud Universiteit Nijmegen - **NETHELANDS**

*"**Choosing LUISS was the best choice I ever made.** Great campus, great professors, friendly local students, awesome city! "*

Joana, Universidade Nova de Lisboa - **PORTUGAL**

*"I really liked that even a **highly-ranked, modern business university** such as LUISS managed to stay **authentic and truly Roman** and convey the **real Italian "dolce vita" image**: a campus that looks like a holiday villa of an ancient Roman family with palm trees and statues. The bar where you can sit in the sun, enjoying your espresso and cornetto, listen to LUISS radio, play kicker or chat with your friends. The **LUISS Language Café** that is an **international meeting point** and sometimes a peaceful island where you can relax and have a break from the university projects. The course offer is very diverse and the classes I took were all really interesting, different from the ones my home university provides: Fashion Management, Luxury Management, Tourism Management. I believe LUISS offers a **great balance for business students wanting to study in Rome**: the university is modern and the **courses are up-to-date** but they are **undeniably related to Rome**; I mean, where else should someone study about fashion, luxury or tourism than in the Eternal City which is famous for all these three areas?"*

Dora, Vienna University of Economics and Business - **AUSTRIA**

*"Erasmus exchange at Luiss Guido Carli University was **one of a kind experience** which allowed me to not only study and deepen my knowledge, but also meet students from all around the world, **experience the distinctive italian culture** and start learning italian language. **Great university offering a great programme in an amazing city!**"*

Beata, Oxford Brookes University - UNITED KINGDOM

*Luiss university is a **human size university very well located** in a nice area of Rome. The staff has been very helpful all along the year, and everything is well organized. **The university puts students in the best conditions to study**, with places such as the language coffee or the lab that stimulate initiatives and innovations in a **modern and inspiring environment**.*

Aurelie, IAE Lyon 3 - FRANCE

*"LUISS University is **not only a place to study, it is a place to live and to socialize**. The **environment is perfect**, with a bar, a canteen, a language cafe, a garden and a church where you could study. You can pass all day long at LUISS... taking a lot of coffee (which is actually very good) and chitchatting with Erasmus and Italian students."*

Sahah, Université Laval - CANADA

*"LUISS offers you a lot - from **interesting political events**, to a **broad choice of courses** over a **very active exchange community**, that makes you feel at ease immediately. So I will certainly remember my time here at the LUISS University as one of the best during my whole studies."*

Alessandra, University of Zurich - SWITZERLAND

*My study abroad experience wouldn't have been **the greatest experience of my life** without the help of LUISS. From the faculty to the students to the environment and events, I felt so welcomed and gained more than just an incredible amount of knowledge academically, but relationships and an understanding of much more. I loved coming to the campuses and having the "home base" of the **language cafe** with friendly faces, welcoming environment and great tea. The **ESN** program is also one of a kind in their never-ending interest in their exchange students and **constant planning of events**. Thank you LUISS for all that you did!*
