**BEAUTIFUL SEATTLE**

The University of Washington is located in Seattle, Washington, USA. Seattle lies in the Northwest corner of the continental United States on a narrow strip of land between the salt waters of Puget Sound and the fresh waters of Lake Washington. Beyond the waters lie two rugged mountain ranges, the Olympics to the west and the Cascades to the east. It is a city built on hills and around water, in a mild marine climate that encourages prolific vegetation and abundant natural resources.

This interactive map can help you get acquainted with campus, and the greater Seattle area: [http://www.washington.edu/maps/](http://www.washington.edu/maps/)

![Lake Washington, Seattle](image1)
![Seattle Skyline, from West Seattle](image2)

**I HEAR IT RAINS A LOT IN SEATTLE...**

It is true that the weather in Seattle can be unpredictable; however our reputation for continual rain is misleading. Summers are warm and relatively dry; winters are typically wet and gray, but mild enough to allow for year-round outdoor activities. You are encouraged to bring a waterproof coat, umbrella, and comfortable, waterproof walking shoes.

FOSTER SCHOOL OF BUSINESS

MISSION
We are a collaborative learning community of faculty, staff, students, alumni and business leaders dedicated to the creation, application and sharing of management knowledge.

VISION
The Michael G. Foster School of Business has a long-term vision to be the best public business school in the U.S.

RANKINGS
In 2016, U.S. News & World Report ranked the Foster School of Business Undergraduate Program 1st in the Northwest of the United States, 22nd among all national business schools, and institutions and 12th among public institutions. Learn more...
CULTURE OF THE BUSINESS SCHOOL CLASSROOM

Class formats include lecture and discussion, in-class presentations, and case studies. Grading is based on papers, group projects, case studies, and class participation. Exam formats may vary. Typically exams are held during the final week of the quarter.

The faculty and your fellow students have high expectations of professionalism, performance and participation inside and outside the classroom. You will be expected to participate in class, and you might even be called on to share your opinion. We encourage an attitude of collegial and congenial competition among students. As a community, we have a strong commitment to achieving excellence through teamwork and cooperation. We believe greater success comes with the help of peers than at the expense of peers. You will also find an atmosphere that is relaxed, informal, and laid back. Some professors allow students to eat in class, and socializing at club activities is a common occurrence.

ATTIRE

Most events and the general classroom atmosphere at the Foster School are casual, so you can dress in whatever you are most comfortable wearing. Events such as networking events and corporate presentations, however, require business or business casual dress.

As an exchange student, you will be paired with a Foster School Global Social Ambassador (Buddy).

A Global Social Ambassador is a Foster School student who is here to help orient you to the UW, Foster School, and Seattle. The goal of this program is to introduce exchange students to the American lifestyle and UW culture that you might not experience independently.

You can choose to engage as much or as little as you wish with your buddy. You will be electronically introduced to your buddy once you have been officially accepted to the University of Washington. Your buddy can meet you at the airport, and help you with everything from finding your classes to recommending the best grocery store for snacks.

OPPORTUNITIES TO GET INVOLVED

The student experience at Foster is vibrant and diverse. We encourage you to get involved! Check out the 28 undergraduate student clubs and organizations, or participate in a Case Competition.

Each quarter the Global Social Ambassador (Buddy) team plans unique cultural events that you are invited to participate in. Join the Foster School Exchange Facebook group to stay updated on these fun programs!

CODE OF CONDUCT / ACADEMIC INTEGRITY

As an exchange student to the Foster School of Business you become a member of a learning community committed to the highest academic standards. Be aware you must abide by the standards of conduct below.

HONESTY: I will be truthful with myself and others.
RESPECT: I will show consideration for others and their ideas and work.
INTEGRITY: I will be a leader of character. I will be fair in all relations with others.

It is important to remember that American views of academic integrity (honest academic conduct) may be different from those in your home country. In basic terms, you are guilty of academic misconduct (cheating) whenever you present something that you did not do as your own work. You are also guilty of cheating if you help someone else to present their work in a similar way.

PHASE 1: APPLICATION

> You must be nominated by your home institution.

> After nomination you must submit the following application documents to kyleh31@uw.edu as PDF documents via email:

  o Foster School Exchange Information Form
  o Statement of financial responsibility, signed and dated Statement of Financial Responsibility
  o Bank letter or statement indicating fund balance; verifying sufficient funds listed in Statement of Responsibility above
  o All college transcripts, translated into English
  o TOEFL (IBT): 83 or IELTS: 7 score report (Not required for passport holders of English speaking countries)
  o Scanned copy of your passport

> After we receive your application documents we will enter you into our online system. You will receive an auto-generated email with instructions to log into your account associated with this online system. This email includes instructions to log-in, verify the accuracy of your personal information, and fill out a questionnaire.
> Once you have completed these steps, your application will be processed by the UW Office of Admissions. They will generate your official acceptance documents and visa paperwork. Please be patient, this is a lengthy process (see timeline above).

> As soon as your acceptance document packet is prepared, you will receive an email notice. The acceptance packet includes:
  - Acceptance Letter
  - DS-2019 (to secure J-1 Visa)
  - Enrollment Confirmation Acknowledgement

> The hard copy of your acceptance document packet will be sent via Fed-Ex to your home university exchange coordinator. You will need to bring the hard copy of your DS-2019 with you to your visa appointment at the US Embassy or Consulate.

> At this point you are considered officially accepted to the University of Washington, and there are several things you will need to do before you begin your term in Seattle.

**PHASE 2: BEFORE YOU ARRIVE**

> Establish your UW NetID
  - Your acceptance document packet contains instructions to set up your UW NetID. Your NetID is a personalized ‘user name’ that you can use to log-in to UW online services. It also serves as your UW email address. All email accounts at the University of Washington are structured as follows: (UW Net ID)@uw.edu.

> Log in to your online application and complete your profile by inputting:
  - Your UW NetID
  - Your UW Student Number (found in your acceptance packet)

> Apply for a J-1 Visa
  - Apply for a J-1 visa at the nearest US Embassy or Consulate
  - Additional information about the J-1 visa:
    https://iss.washington.edu/travel/visas
    http://j1visa.state.gov/programs/college-and-university-student/

> Make travel arrangements to Seattle
  - As a student on a J-1 visa, you are allowed to enter the US 30 days or fewer before the program start date listed on your DS-2019. This date calculator is a useful tool in calculating 30 days.

> Apply for on-campus housing or find off-campus housing

  All questions regarding on-campus housing should be directed to: hfsinfo@hfs.washington.edu

  A few things about housing to be aware of:
  - You must use your UWNet ID (see above) to apply for on-campus housing.
The Foster School is located on North Campus. The UW campus is quite large, and you may want to factor in location when selecting your housing.

If you plan to stay in on-campus housing, you will need to confirm your move-in date and may need to find alternative accommodations when you first arrive. Here is a list of Hotels near campus.

The FIUTS office can arrange a short-term home stay for 3-7 days when you first arrive. This is a great opportunity to meet a local family and have a place to stay while you confirm your permanent accommodations. An airport pick-up service is included with a short-term home stay.

Fulfill the Measles Immunization Requirement

- Visit Med+Pass
  - Create account in Med+Pass using your UW email address (@uw.edu)
  - Complete Med+Pass profile
  - Download & complete immunization form
  - Obtain medical provider's signature on immunization form
  - Upload form to Med+Pass

Complete the required International Student Services (ISS) Online Information Session

International students at UW are required by federal and state laws to maintain health insurance while studying in the United States. Review health insurance requirements and decide to either purchase ISHIP insurance, or submit a waiver.

Log in to your http://myuw.washington.edu using your UWNet ID and password. Get acquainted with the information available on this website.

You will be electronically introduced to your Foster School Global Social Ambassador (Buddy)

PHASE 3: CLASS REGISTRATION

After you receive your acceptance documents, you will be electronically introduced to Kathleen Horenstein, the Foster School Academic Counselor who will help you register for classes.

There are two tools that will be useful to you in determining which courses you would like to take. The Time Schedule lists which courses will be offered during a specific time period. The Course Catalog provides descriptions of all courses.

Review the Time Schedule for the period that you will be on campus and make a list of courses that interest you. Kathleen will ask you for this list when it is time to register.

- To satisfy your student visa status, you must be enrolled in at least 12 credits per quarter with a maximum of 18 credits.
- Most Foster School incoming exchange students take three or four undergraduate (100-400-level) business courses with each course carrying four credits.
Some courses are more difficult for exchange students to register for because of demand and space constraints. This includes: Finance and Accounting courses, and our Management 430 Capstone course.

Exchange students are responsible for ensuring that the credits they receive will transfer back to their home institution.

Students from Audencia, PUCC, Peking, and Kobe also register for I BUS 491, the CISB seminar (one credit), for the section corresponding to their native language.

The UW has a very large course catalog. You can take courses outside of the Foster School of Business if you would like to. Kathleen can assist you with navigating the course catalog, and provide instructions for enrolling in non-business courses.

Please note that you will not be allowed to register for classes until you fulfill the measles immunization requirement, and complete the International Student Services (ISS) Online Information Session.

PHASE 4: UPON ARRIVAL

You will go through immigration and customs inspections at the first point of entry into the United States. Be prepared to provide the following documents at the port of entry to the U.S. Customs and Border Protection (CBP). **NOTE:** CBP inspection takes place before you collect your luggage, so you must have these documents on your person. *Do not put your travel documents in your checked luggage.*

- Passport
- Visa stamp (if applicable)
- DS-2019 (J-1)
- SEVIS fee receipt
- Supporting financial documentation

The Seattle Tacoma (Sea-Tac) International Airport is approximately 35 minutes south of the University of Washington by private car. There are a variety of transportation methods available to get you to campus.

- **Private Taxi**
- Shared Shuttle (such as Shuttle Express)
- **Public Transit** (However, there is no direct route. You must transfer in downtown Seattle.)
- FIUTS Pick Up Service (Only for Students participating in the Homestay Program)

Check-In with International Student Services (ISS) and turn in photocopies of immigration documents:

- Signed DS-2019
- I-94 card or Admission Stamp
- J-1 Visa
- Passport biographical page
- Passport expiration date page
Statement of Compliance with the Insurance Requirements of the Exchange Visitor Program

- You must make the photocopies in advance; ISS and FIUTS cannot make the photocopies of your documents. Copy machines are located in all campus library locations, and there are commercial copy centers near Schmitz Hall.

- For exchange students arriving autumn quarter, check-in will take place at the FIUTS Orientation Greeting Tables, located in the Husky Union Building (HUB) lobby from 10:00 AM - 1:00 PM, September 12 - 16, 2016.

- For exchange students arriving during all other quarters, check-in will take place at Schmitz Hall 459, 10:00 AM – 4:00 PM, Monday-Friday

Remember to ask any questions you have about your J-1 visa, travel to Canada, etc.

Several fees will appear on your http://myuw.washington.edu account. As an exchange student you are responsible to pay the following fees upon arrival:

- U-PASS $76 / quarter
- International student fee $45 / quarter
- ISHIP health insurance (or submit a waiver by 1 PM the 3rd week of class)

Acquire a Husky card. The card is used for several important functions:

- Student ID card – can also be used for discounts at local merchants
- Library Card – to check out materials at any on-campus library
- Debit Card – deposit funds on the card to pay for printouts, coffee, etc.
- Bus Pass – The card serves as your bus pass through the U-PASS system
- Access to Burke Museum or Henry Art Gallery
- Access to IMA (workout and gymnasium facilities that offer a variety of fitness classes)

Attend recommended FIUTS Orientation

- This orientation for international students (undergraduate and graduate) is held each academic quarter and is sponsored by the Foundation for International Understanding through Students (FIUTS) with assistance from the International Student Services Office (ISS).

Attend required Foster School Exchange orientation

- This required orientation for incoming exchange students to the Foster School of Business is held each quarter, and is an opportunity to learn specifically about the Business School. This is also an excellent opportunity to meet your assigned global social ambassador, as well as the other exchange students who will be studying at the
Foster School. You will receive an email with the time, date, and location of this orientation.

> Purchase textbooks and course packs required for your classes

  o At the University of Washington, you must purchase your own textbooks and coursepacks for your classes. Coursepacks consist of supplemental reading material the professor may assign, such as case studies and articles.

  o You can purchase your books from any source you like, however the University Bookstore is a convenient option.

  o At the end of the quarter, you can sell your books back to the bookstore. Click here to learn more about this process.

PHASE 5: TRANSCRIPTS

> It takes several weeks for your grades to be finalized. Upon your return home, the Foster School Incoming Exchange Manager will send your official transcripts via Fed-Ex to your home institution.
