##### PROGRAMS OFFERED AND COURSE SELECTION

---

**IMPORTANT:** The course selection must respect the agreement outlined in the memorandum of understanding between UQAM and your home university.

Information about programs and the courses offered is available at the UQAM registrar's website: [www.registrariat.uqam.ca](http://www.registrariat.uqam.ca) under the heading of **Programmes**. There you will find the courses in each program offered. You must verify whether the courses you have selected are offered during the semester(s) you will be studying at UQAM. Pay particular attention to the course schedule to avoid any academic conflicts.

In the undergraduate (Bachelor) programs and in the graduate (Master) programs, the language of instruction is predominantly French. You will find the complete list of courses offered in English following the link below: <https://international.esg.uqam.ca/en/courses-given-in-english-description>.

Currently, there isn't a complete list of all courses offered in French. Indeed, it would be a very long list. We invite you to follow the steps indicated on the international section of ESG's webpage to facilitate your efforts in selecting your courses: <https://etudier.uqam.ca/trouver-un-cours>.

**You must be registered as a full-time student no matter which level of studies you are in. Course attendance is mandatory.**

For undergraduates (Bachelor's), full-time registration corresponds to a minimum of four (4) courses (12 credits) and a maximum of five (5) courses (15 credits) per semester. The majority of undergraduate courses are 45 hours in length per semester or three (3) hours per week during 15 weeks.

For graduate studies (Master's), full-time registration corresponds to two (2) courses per semester or a minimum of six (6) credits and a maximum of 4 courses (12 credits) per semester according to the program.

#### FINAL COURSE REGISTRATION

After receiving your acceptance letter, you will receive a **confirmation d'inscription** (registration confirmation) with your course selection, as well as the contact information for the director of your program of studies.

If your course selection does not appear on your *confirmation d'inscription*, you will have to contact your program director at UQAM.

#### ACCOMMODATIONS

The **Service d'hébergement de l'UQAM** (UQAM Housing service) offers students a list of apartments and rooms for rent: [www.vie-etudiante.uqam.ca/etudiant-etranger/ressources/hebergement](http://www.vie-etudiante.uqam.ca/etudiant-etranger/ressources/hebergement)

## MANDATORY HEALTH INSURANCE

The law governing Quebec health insurance requires that foreign students be in possession of valid health insurance for Quebec. Consequently, UQAM charges all international students mandatory insurance fees. In 2018-2019, this fee was \$312 CAD per semester. These fees may change without prior notice.

The Quebec government and certain countries have concluded reciprocal agreements dealing with social security including a section on health which allows those countries' citizens to receive certain benefits. These countries include: Belgium, Denmark, Finland, France, Greece, Luxemburg, Norway, Portugal, Romania and Sweden. To find out more, please consult the ***Guide pratique pour les étudiants internationaux*** (The International Students' Guide) mentioned in the previous section and your home university's student exchange coordinator. You may also consult the RAMQ (Quebec health insurance board) website: [www.ramq.gouv.qc.ca](http://www.ramq.gouv.qc.ca).

Please note that no insurance obtained in your country of origin will exempt you from UQAM's fees for medical coverage during the semesters for which you are registered. However, if you plan to stay in Canada after your study period, it is recommended to obtain an insurance coverage in your home country for the extension of your stay.
