Living expenses one semester program	\$5,375
Living expenses two semester program	\$10,750
Health Insurance	\$1,161
TB Test	\$80.00

### Insurance Requirement

ALL international students are required to purchase the University of Cincinnati student health insurance policy upon enrollment. While there is an opportunity for students to submit a waiver, foreign based policies are NOT accepted. We had many students who purchased a foreign based policy, assuming they would be able to waive the UC policy. Getting an insurance waiver approved is highly unlikely and students should prepare to enroll in and pay for UC Student Health Insurance. In addition, all new international students are required to have a health screening which involves a TB test. The cost of this service is \$80 and is charged directly to the student bill.
