2018 - 2019 Course Search Guide

In 2017, Griffith moved from a Semester system to a Trimester system. This means Griffith has replaced **Semester 1** with **Trimester 1** and **Semester 2** with **Trimester 2**. Trimester 3 is now a formal study period which was previously referred to as Summer Semester. Trimester 3 is not compulsory.

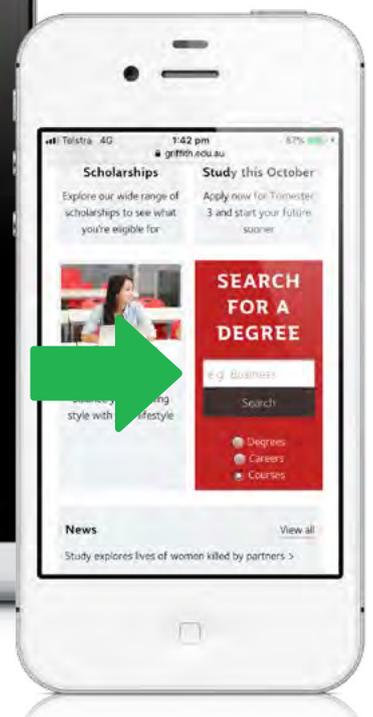

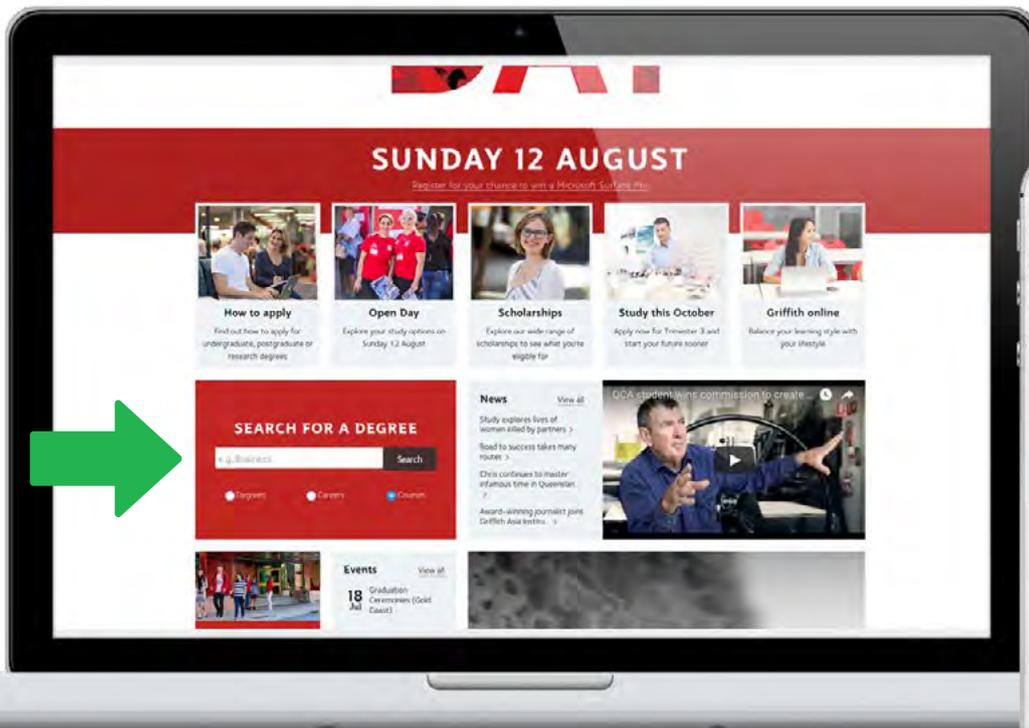

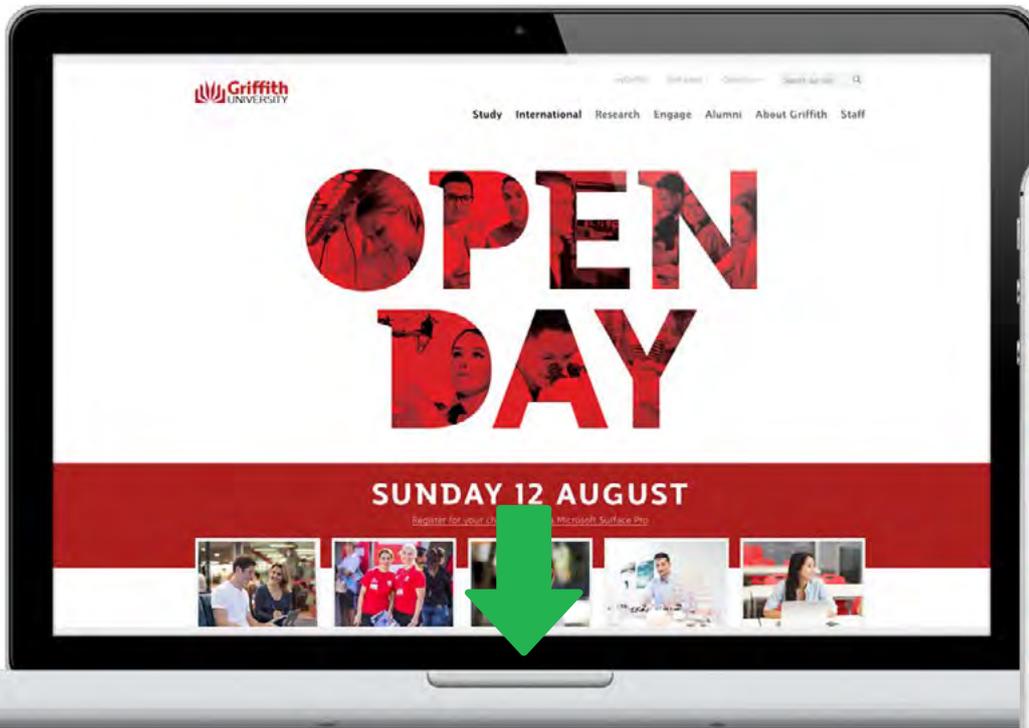

Please follow the below steps to search for suitable courses, or alternatively, please consult our **Pre-Approved Course Lists**.

For Trimester 3 courses, please note that in 2017 they were mainly first year courses; some of which were taught in intensive and/or mixed mode and from a limited range of study areas. We expect these options to expand in 2018. Please consult our **website** for trimester 3 course options or email **inboundmobility@griffith.edu.au**

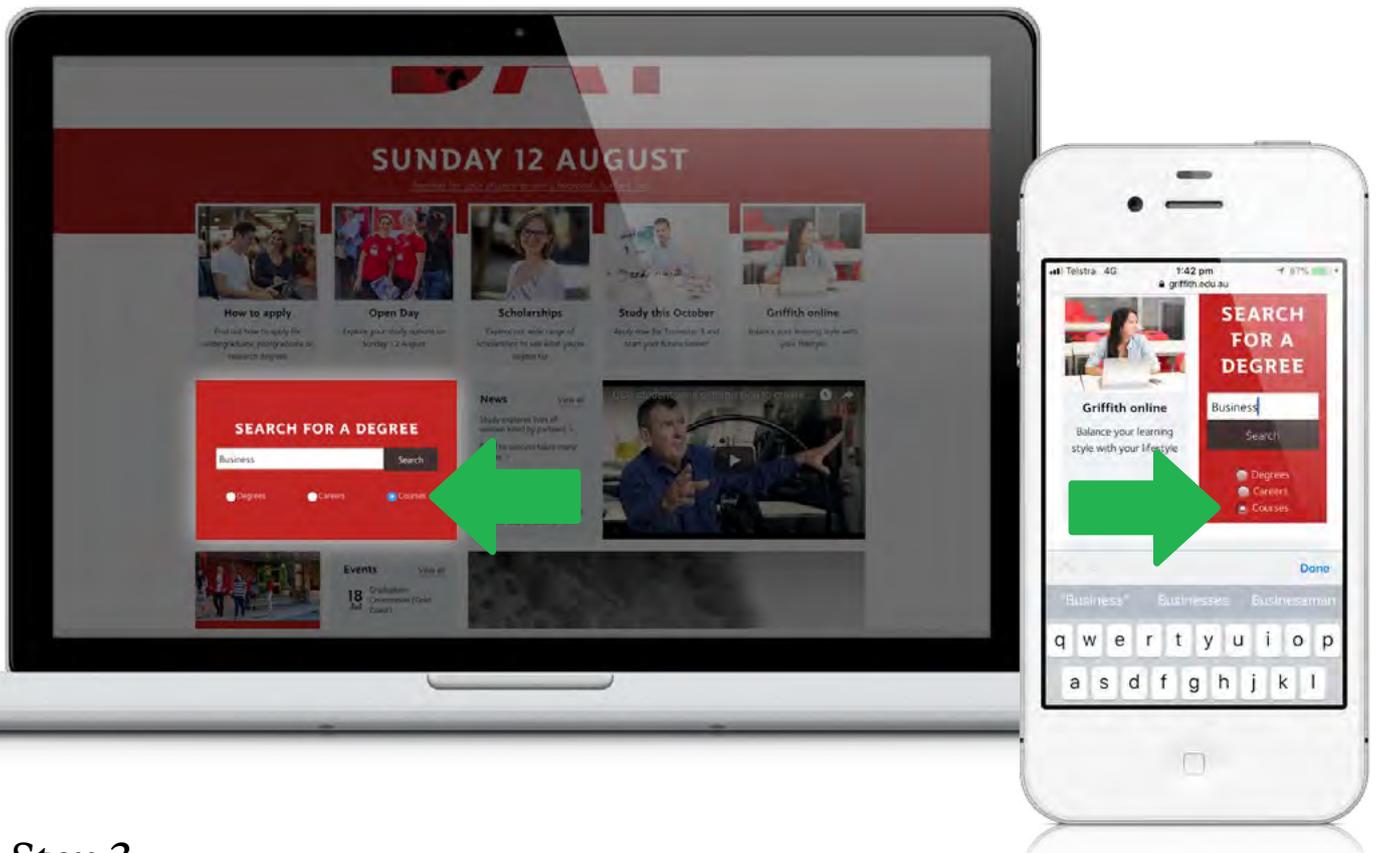

Step 1

From the Griffith Home page scroll down to the 'Search for a Degree' box

Step 2

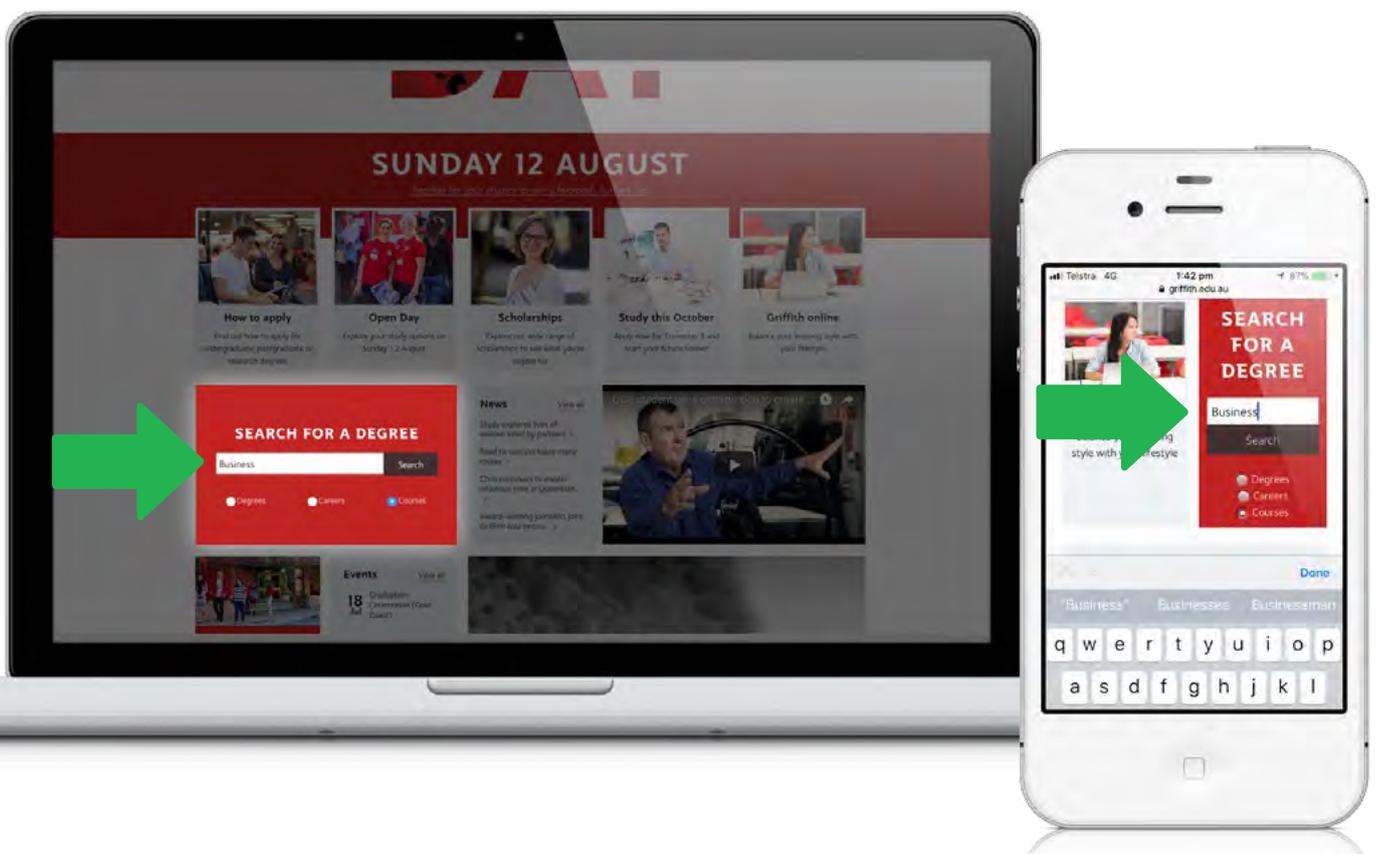

Select the 'courses' button

Step 3

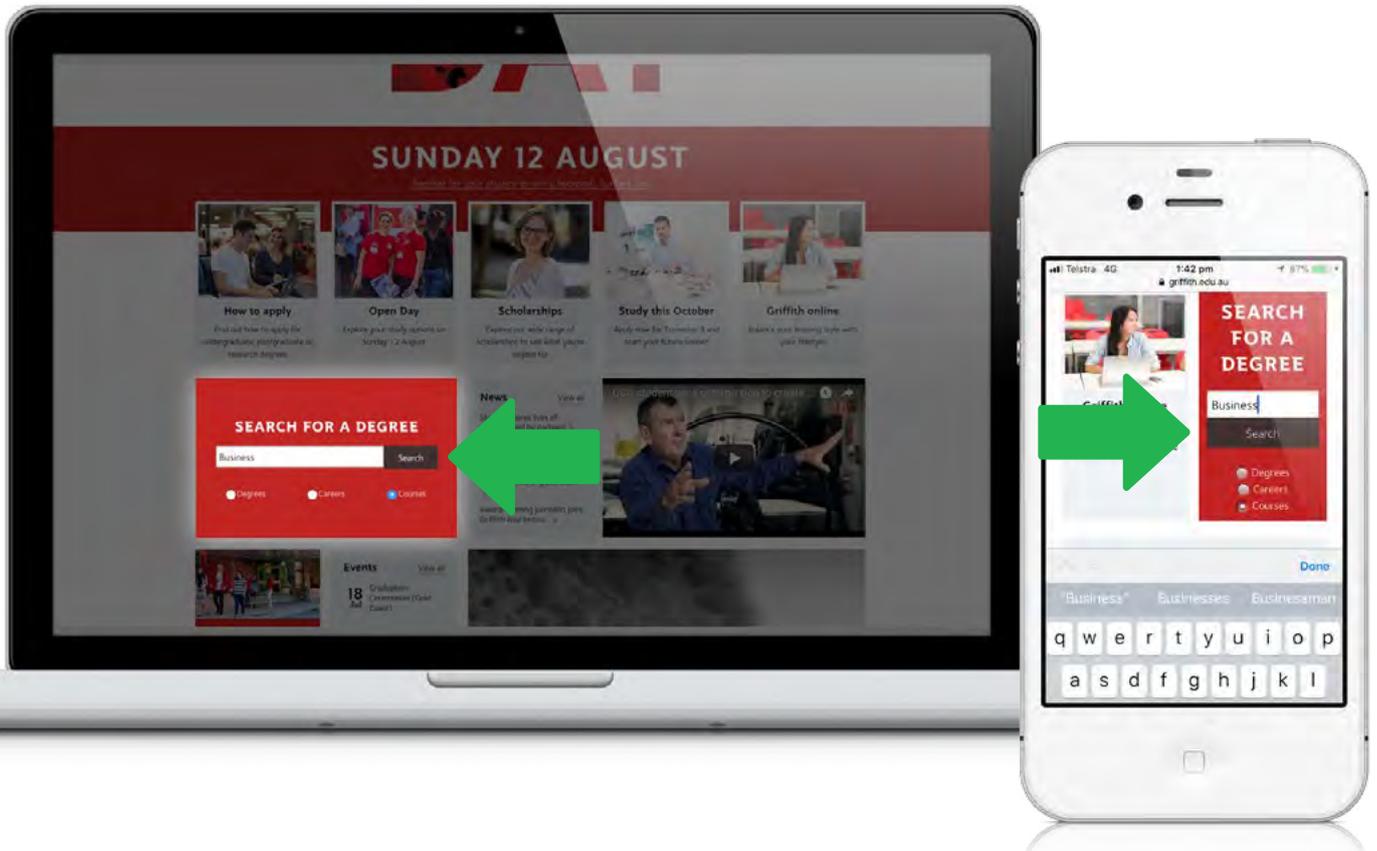

Type in a keyword

Example: 'Business'

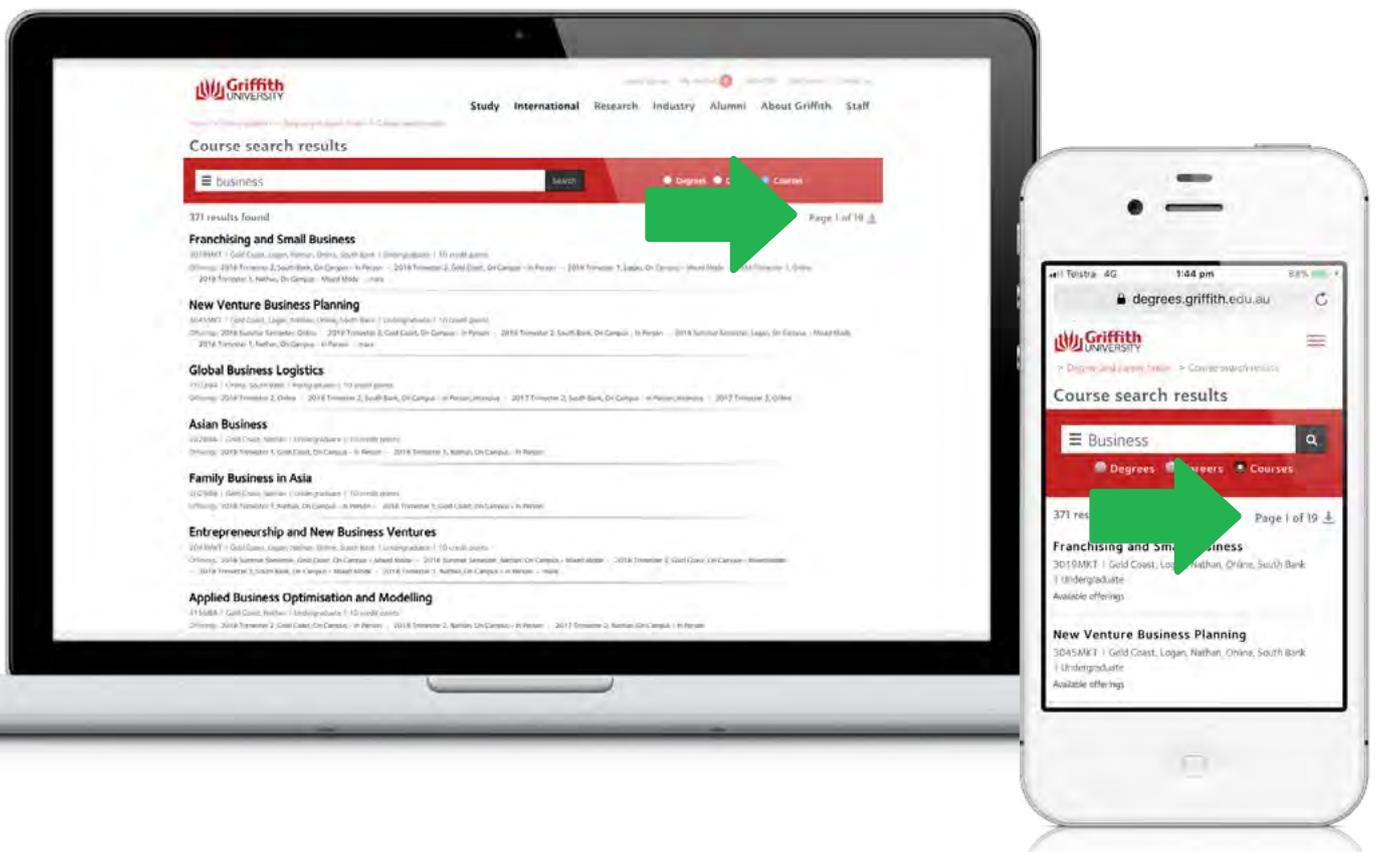

Step 4

Click 'search' for course results to appear.

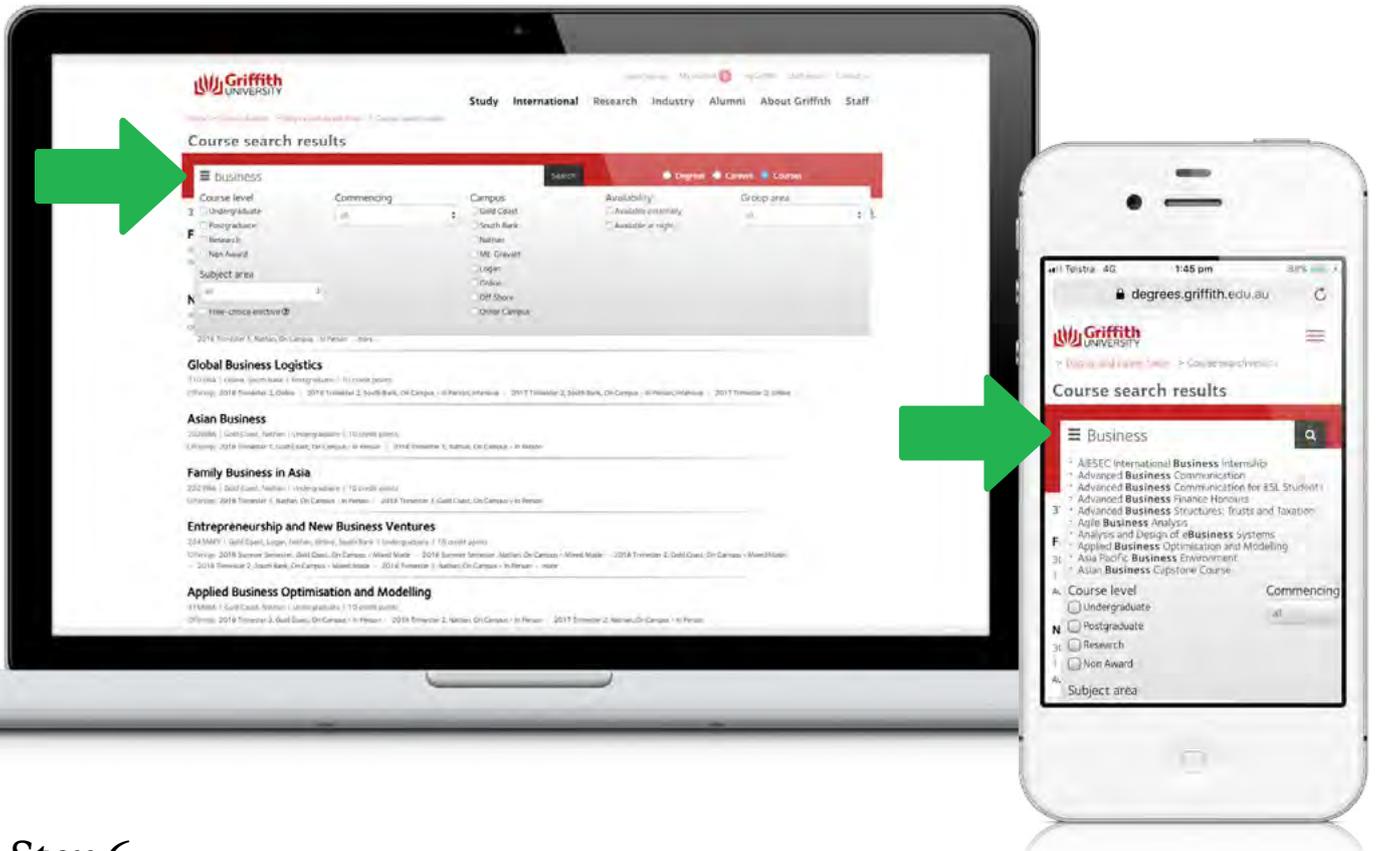

You will see in this instance there were 19 pages of matching results.

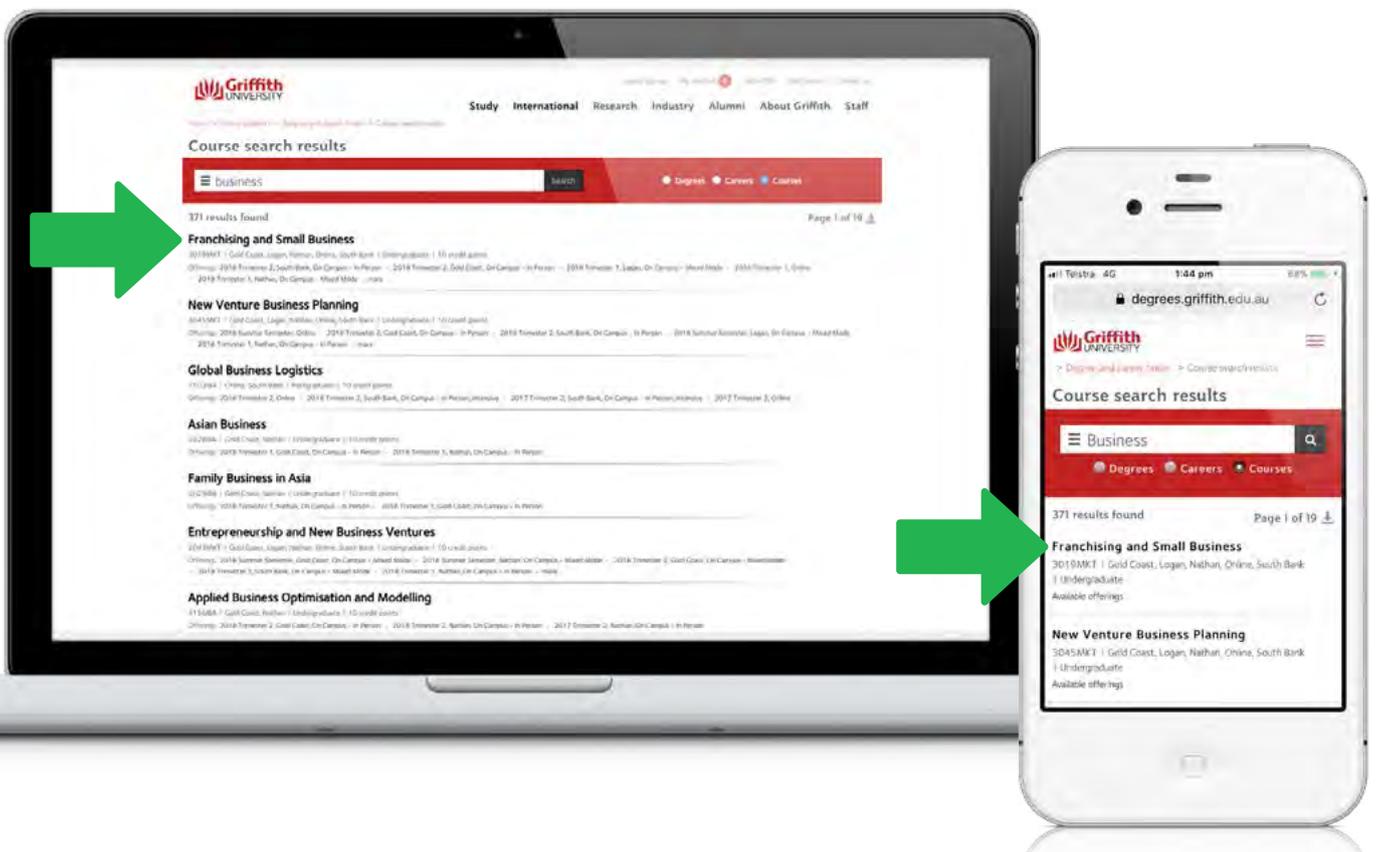

Step 5

Click on the filter button located on the left-side of the search field to filter the search by campus, course level, etc.

Step 6

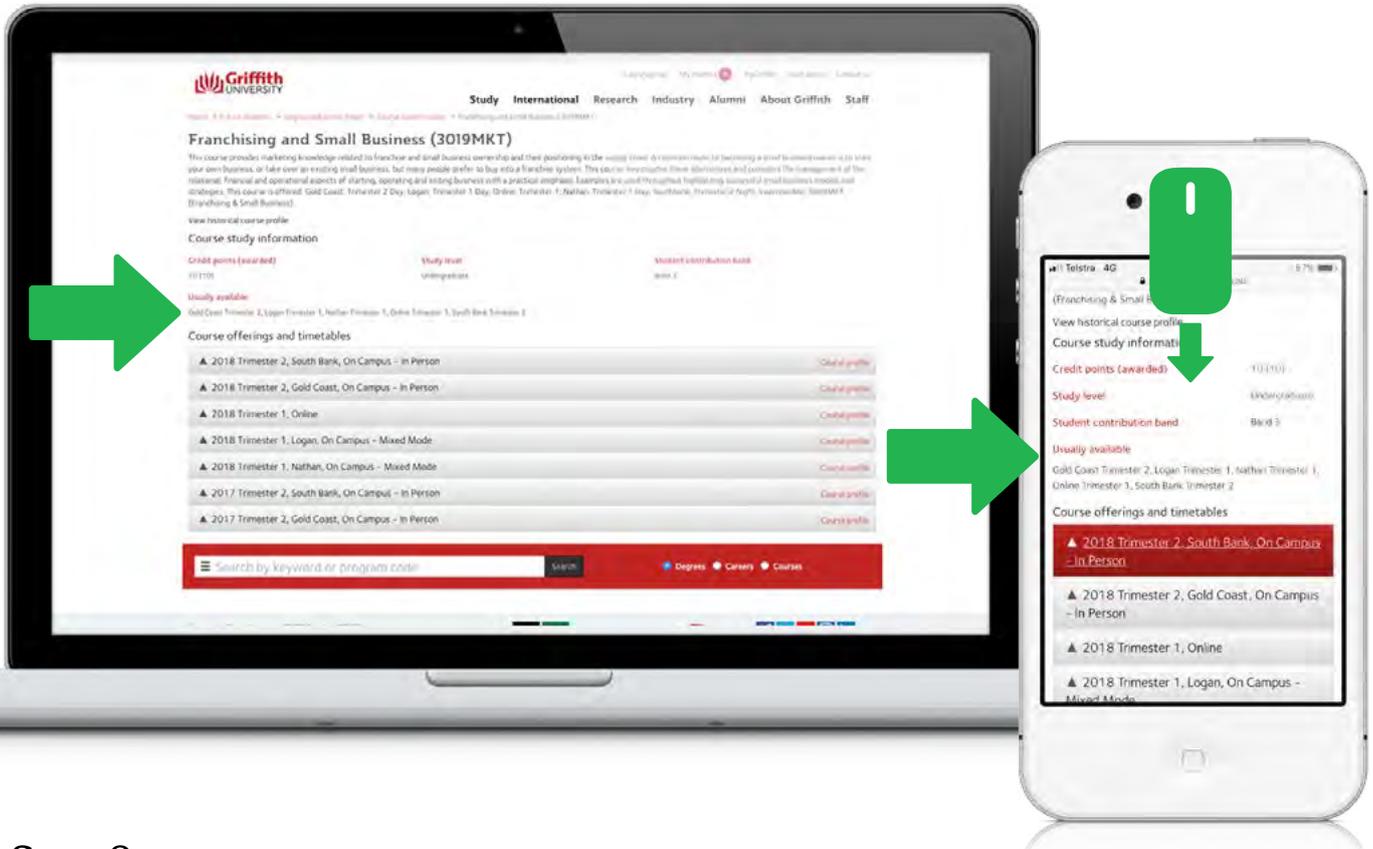

Click on a specific course to see the synopsis which will have more information about it, for example: pre-requisites.

Step 7

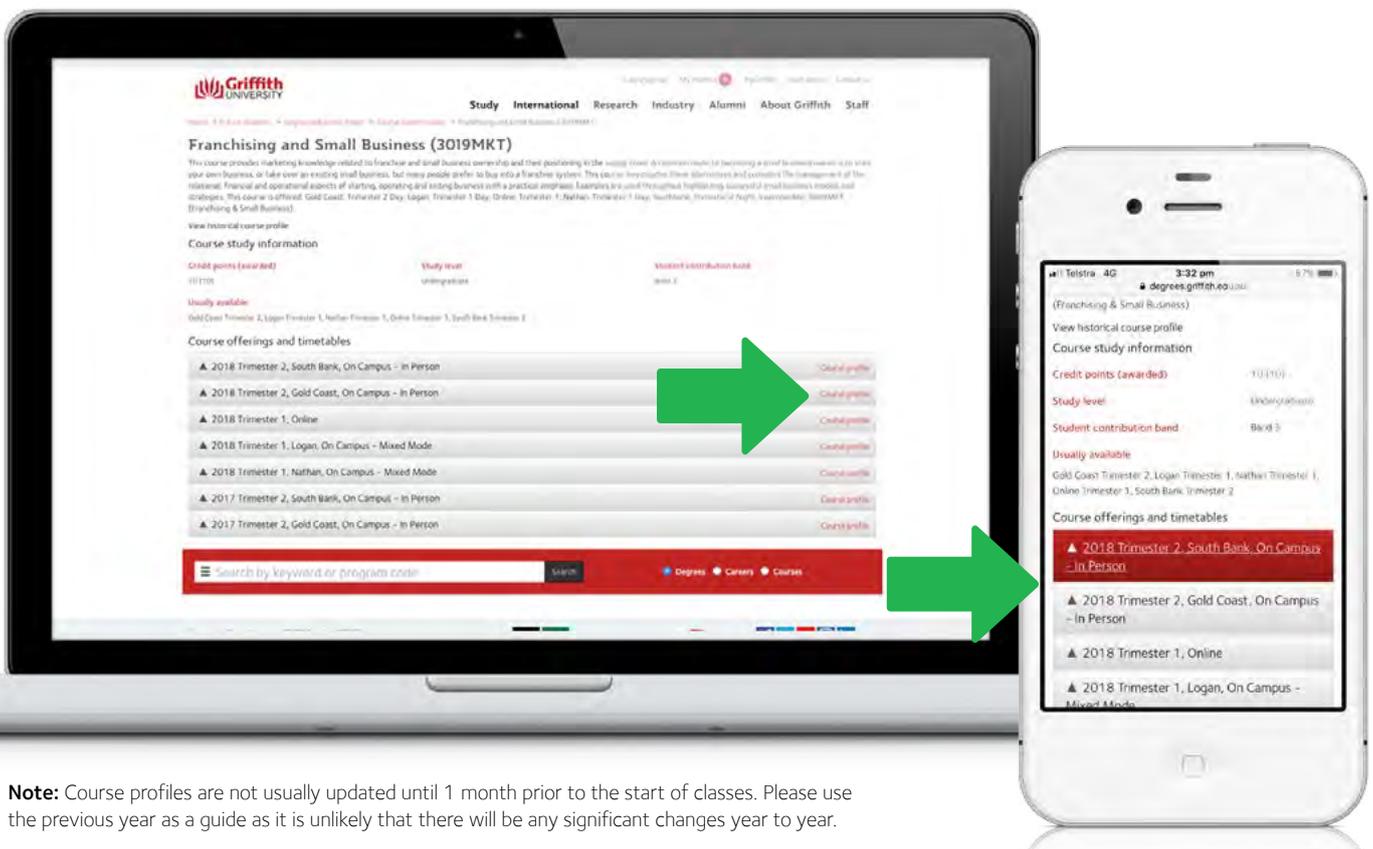

Check the details in the synopsis to confirm when the course is usually available and at which campus.

Hint: if it says 'usually available Nathan Trimester 2', then it is likely it will be available at Nathan Trimester 2 2018.

Step 8

For more detailed information, click on the 'course profile' link to check course information such as learning activities & resources, assessment plan, etc.

Note: Course profiles are not usually updated until 1 month prior to the start of classes. Please use the previous year as a guide as it is unlikely that there will be any significant changes year to year.
