

# [ SPOTAHOME ]

Rent your mid to long-term accommodation,  
saving time and effort

Spotahome is a mid- to long-term online booking platform for rental accommodation, suitable for international studies, internships, and study abroad programs.

Our multinational and multilingual team helps thousands of students to book their accommodation every month.

We currently partner with universities, language schools, and institutions around the globe.

## HOW WE WORK

### ONLINE BOOKING

Spotahome take photos, a HD video and a floorplan eliminating in person viewings

### CONNECTING

Landlord and tenant put in contact

### TENANCY AGREEMENT

Tenancy agreement signed during check in

## BENEFITS

### TRUSTED SERVICE

All listed properties are verified by our homecheckers, giving you peace of mind when booking.

### DEDICATED CUSTOMER SUPPORT

Our multilingual customer service team are there to support you through every step of the booking process.

### SAFE & SECURE

Spotahome secures the first months rent and only transfers this to the landlord once you have safely moved into the property.
